The four sectors when viewed clock wise depict the image of Gurudev Rabindranath Tagore, that is why his image has given prominent place in the emblem. The test tube symbolizes science and the light which lightens in the centre of the emblem emphasizes the motto of the college, 'Lighted to Lighten'.

GURUDEV RABINDRANATH TAGORE

- 9. GRADING:**
- 9.1 Indirect Grading System based on the scale specified in clause 9.2 is used to evaluate the performance of students.
 - 9.2 Indirect grading system shall be adopted for the assessment of a student's performance in a course(both CE and ESE) Each course is evaluated by assigning marks with a letter grade (A+, A, B, C, D, E and F) to that course by the method of indirect grading. Mark system is followed instead of direct grading for each question. For each course in the semester, letter grade, grade point and percentage of

marks are introduced in the indirect grading system with scale as per guidelines given below:

% of Marks (CE+ESE)	Grade	Interpretation
90 and above	A+	Outstanding
80 to below90	A	Excellent
70 to below80	B	Very Good
60 to below 70	C	Good
50 to below 60	D	Satisfactory
40 to below 50	E	Pass
Below 40	F	Failure

- 9.3 Evaluation (both CE and ESE)is carried out using Mark system. The grading on the basis of a total CE and ESE marks will be indicatedfor each course. Each letter grade is assigned a '**Grade point**' (GP) which is a point given to a grade on the scale as envisaged underclause 9.2 and is obtained using the formula:

$$\text{Grade Point} = (\text{Total marks awarded} / \text{Total Maximum marks}) \times 10.$$

- 9.4 '**Credit point**' (CP) of a course is the value obtained by multiplyingthe grade point (GP) by the credit (C) of the course

$$\text{CP} = \text{GP} \times \text{C}$$

A minimum of grade point 4 is needed for the successful completion of a course.

- 9.5 A candidate securing not less than 40% of aggregate marks of a course with not less than 40% in End Semester Evaluation(ESE) and not less than 10% in Continuous Evaluation (CE) separately shall be declared to have passed in that course. A minimum of grade point 4 with letter grade E is needed for the successful completion of a course.
- 9.6 Appearance for Continuous Evaluation (CE) and End Semester Evaluation (ESE) are compulsory and no grade shall be awarded to a candidate if she/he is absent for CE/ESE or both.

- 9.7 After the successful completion of a semester, Semester Grade Point Average (SGPA) of a student in that semester is calculated using the formula given below.

$$\text{SGPA} = \frac{\text{Sum of the Credit Points of all courses in a semester}}{\text{Total Credits in that semester}}$$

Semester Grade Point Average (SGPA) is the value obtained by dividing the sum of credit points obtained by a student in the various courses taken in a semester by the total number of credits in that semester. SGPA determines the overall performance of a student at the end of a semester. For the successful completion of a semester, a student should pass all courses in that semester. However, a student is permitted to move to the next semester irrespective of SGPA obtained. SGPA shall be rounded off to three decimal places.

- 9.8 The **Cumulative Grade Point Average** (CGPA) of the student is calculated at the end of each semester. The CGPA of a student determines the overall academic level of the student in each stage of the programme. CGPA can be calculated by the following formula:

$$\text{CGPA} = \frac{\text{Sum of Credit Points of all completed semesters}}{\text{Total Credits acquired}}$$

CGPA shall be rounded off to three decimal places.

- 9.9 At the end of the programme, the over all performance of a candidate is indicated by the Overall Grade Point Average . Overall **Grade Point Average (OGPA)** of the student is calculated at the end of the programme. The OGPA of a student determines the overall academic level the student in a programme and is the criterion for classification and ranking the students. OGPA can be calculated by the following formula

$$\text{OGPA} = \frac{\text{Sum of Credit Points obtained in all semesters of the programme}}{\text{Total Credits (120)}}$$

OGPA shall be rounded off to three decimal places.

An overall letter grade for **OGPA** for the entire programme shall be awarded to a student after completing the entire programme successfully .Over all letter grade based on OGPA and conversion of Grades into classification shall be in the following way.

Grade range OGPA	Overall Letter Grade	Classification
9 - 10	A+	First class with Distinction
8 - 8.999	A	
7 - 7.999	B	First class
6 - 6.999	C	
5 - 5.999	D	Second class
4 - 4.999	E	Pass
Below 4	F	Fail

9.10 The Percentage of marks based on OGPA is calculated by multiplying them by 10.

$$\text{Percentage in two decimal places} = [\text{OGPA in three decimal places}] \times 10\%$$

9.11 Those candidates who pass all the courses prescribed for a programme shall be declared to have successfully completed the programme and eligible for the degree. Minimum OGPA required for the successful completion of the degree programme is 4. In the event a candidate fails to secure pass in any course in a semester, consolidation of SGPA and CGPA will be made only after obtaining pass in the failed course in the subsequent appearance, as envisaged in clause 9.5.

9.12 A student who fails to secure a minimum mark for a pass in a course is permitted to write the examination along with the subsequent batch.

9.13 **Moderation:** Moderation shall be decided by the concerned Board of examiners subject to the Statistics of marks made available from the Examination branch and as per the prescribed guidelines.

9.14 **Revaluation:** In the new system revaluation is permissible. The prevailing rules and regulations of revaluation are applicable to KUCBCSSUG2019.
